**AMENDMENT TO THE UPTON AMENDMENT**  
**OFFERED BY MR. WYNN OF MARYLAND**

**Risk-based allocation**

At the end of subsection (c) of section 160 of the National Telecommunications and Information Administration Organization Act as added by the amendment, insert the following (and redesignate the succeeding subsections accordingly):

1       (d) ALLOCATION.—The Assistant Secretary shall re-  
2       quire that the grant funds awarded under this section to  
3       public safety from proceeds of the auction of spectrum to  
4       be allocated so that—

5           (1) every State and territory of the United  
6       States receive no less than 0.25 percent of the funds  
7       available for grants under this section for any fiscal  
8       year;

9           (2) the remainder is allocated in a manner that  
10      gives priority to those areas designated as at high  
11      risk for terrorist attacks and natural disasters for  
12      purposes of attaining full interoperability; and

13          (3) priority is given for grant funding based on  
14      threats of terrorism to the agriculture, food, bank-  
15      ing, and chemical industries; the defense industrial

1 base; emergency services; energy; government facili-  
2 ties; postal, shipping, public health, health care, in-  
3 formation technology, telecommunications, and  
4 transportation systems; water; dams; commercial fa-  
5 cilities; and national monuments and icons.
